Who We Are

Connections That Matter. Experience That Counts.

BTIG is a global financial services firm specialising in institutional trading, investment banking, research and related brokerage services. At BTIG, our people are our greatest asset.

We take pride in attracting the best and brightest individuals from diverse backgrounds and mindsets. Employees with an entrepreneurial spirit thrive within our culture, where ingenuity is rewarded, and innovations are quickly adopted.

What To Expect

Don't Just Build Your Resume. Build Your Career.

At BTIG, the summer internship program introduces students to many facets of financial services. Interns learn about the firm and the industry while working alongside teams of experienced BTIG professionals.

Your internship will start with an intensive training week to give you an essential platform for getting the most out of your time with BTIG. From there, you will rotate through the different sales and trading desks across asset classes, alongside back office and middle office operations, to gain an understanding of every part of the firm.

You will learn through involvement in real challenges such as researching, reporting, monitoring, formulating trade ideas and analysing data. You will be given tasks that are integral to the team's workflow alongside an individual project to showcase what you have learnt over the 2 months.

The Internship will be based in the London Office.

"My time spent at BTIG has been a positive experience. I have gained invaluable knowledge from experienced people."

2024 INTERN

"BTIG has a great environment for learning and growth with fantastic people who make me look forward to coming into work every day."

Application Process

Due to the competitive nature of the BTIG summer internship program, candidates are encouraged to include outside interests, personal attributes, and relevant references that can distinguish themselves as an applicant.

KEY ELEMENTS FOR CONSIDERATION:

- The ideal candidate will be enthusiastic, diligent, ambitious, entrepreneurial, and confident but with a team player mentality.
- We look for candidates who are flexible and willing to engage with the task at hand, whilst being adept at multi-tasking in a challenging environment.
- You should have the ability to interact with all levels of the organisation and have excellent communication skills alongside a strong attention for detail.
- All applicants should be currently enrolled in a Bachelor's or Master's degree program and preferably due to graduate between May 2025 and August 2026.
- A financial degree is not required but the candidate should be able to demonstrate an interest in the financial markets.
- Interns are required to work for nine consecutive weeks (vacation time must be scheduled around the internship program).
- All interns undergo the same background check process as BTIG employees.
- Applicants may be contacted by a BTIG representative if more information is required.
